Rodney Lungayan

Web Developer

I'm a web developer with a focus on both front-end and back-end development, building seamless and dynamic web applications.

EXPERIENCE

WEB DEVELOPER INNOCENTRIX PHILIPPINES

JULY 2021 – DEC 2024 (3 yrs 6 mos)

I handle web conversion, backend development, and assist my senior developer with internal website software projects. I integrate converted sites into CMS platforms with Laravel for easy editing and manage the full process of creating live sites for clients, including purchasing domains, managing hosting, and implementing SSL for security. Additionally, I oversee Google Ads campaigns for clients and manage the Google Business Profile for our internal business.

WORDPRESS DEVELOPER PROWEAVER, INC.

Mar 2019 - Jul 2021 (2 yrs 5 mos)

Converting design files into HTML pages and integrating them into WordPress custom themes. Additionally, I handle WordPress maintenance tasks, update content on WordPress pages provided by content writers, and build websites using the Elementor builder.
